Release history

Written by `tools/release.py` after every upload, promote, rollout and halt. Add a row by hand when you upload in Play Console yourself. Version codes must always go up; the next upload needs a code above the highest one here.

Date	Code	Name	Track	What	Notes
2026-10-31 20:40	4	0.4.0	internal	manual upload	First internal test build (real ads, billing)
2026-11-01	9	1.0.0	closed testing	manual upload	Castle Smashers 1.0.0, testers added (row added by hand)
